Chairman
Vienības gatve 109
Rīga, Latvia, LV-1058

Dear Ed,

I am pleased to endorse the "Connecting Canada and Latvia" initiative of the Canadian Chamber of Commerce in Latvia and fully support its objectives to develop strategic partnerships between the business community in Canada and the same in Latvia in order to promote economic activity between our countries, and in particular, to take advantage of the benefits offered by the Comprehensive Economic and Trade Agreement known as CETA.

I understand that this includes missions between Canada and Latvia, as well as individual events that promote Canada/Latvia economic relations.

I am also pleased to participate in and support appropriate events as agreed.

Yours truly,
