

Your remote finance department

Accounting and financial support for businesses
in Latvia

Dzintra Renigere
CanCham Show & Tell

Accounting with CFO-level attention

01 International-company methods

Dzintra brings hands-on CFO experience to each client relationship.

02 Complete records

We follow up on missing documents until the accounting file is complete.

03 Advice before decisions

Clients can discuss planned transactions and lawful tax optimisation directly with Dzintra.

A simple monthly rhythm

1

Send documents

By email, smartphone, courier or direct entry.

2

We process and check

Transactions are recorded and missing items are followed up.

3

We close and report

Monthly results, payroll, taxes and declarations are prepared.

4

You stay informed

Current financial information is available online in Latvian, English or Russian.

A reliable finance partner in Latvia

For companies that want current numbers and informed decisions

Since 2009

Serving businesses with accounting and financial support

20+ years

Expertise in accounting, financial management and process automation

Licensed

Outsourced-accountant licence AGL0001447 and professional indemnity insurance
